## ***Descriptions of databases of interest from EBSCO:***

### **Academic Search Premier**

This database offers comprehensive, academic periodical coverage in many disciplines, including general reference, social sciences, humanities, general sciences, education, library and information science, computer science, engineering, languages, medical sciences, and multicultural studies.

- **Subject Coverage:** general reference, social sciences, humanities, education, computer sciences, engineering, language and linguistics, arts and literature, medical sciences, ethnic studies, and more.
- **Popular and/or Scholarly:** Scholarly
- **Full Text Coverage:** 3,350 publications, including 2,400 peer reviewed publications
- **Abstracts & Indexing:** 4,300 publications, many dating back to 1984.
- **Features:** Full-page images as well as color embedded images

### **ERIC -- U.S. Department of Education**

*ERIC* provides access to published and unpublished sources on thousands of educational topics.

- **Subject Coverage:** All aspects of education
- **Popular and/or Scholarly:** Both, professional and trade
- **Full Text Coverage :** Includes the full text of more than 2,200 *ERIC Digests*. Citations linked to full text articles located in other EBSCO databases via SmartLinking. Click on the link to the full text within the article citation to access the full article. In addition, EDRS (*ERIC Document Reproduction Services*) offers KYVL, as a subscriber to their *E\*Subscribe* service, a direct link from *ERIC* to full text *ERIC* documents available through *E\*Subscribe*. *E\*Subscribe* offers unlimited electronic access to approximately 92% of *ERIC* documents from 1993 to the present. Items that are available in full text through the *E\*Subscribe* service will be accompanied by a link that says **Full text from EDRS**. Click this link and follow the instructions for accessing the full text article.
- **Abstracts & Indexing:** Contains citations and abstracts from over 980 educational and education-related journals, offering more than 1 million abstracts of documents and journal articles.

### **Professional Development Collection**

This database is a collection of electronic information especially for professional educators. This collection offers information on everything from children's health and development to cutting-edge pedagogical theory and practice.

TOPICsearch is an excellent resource to find information on hot topics, current events and current issues. EBSCO products all have a similar search interface so the navigation is familiar and easy.

With TOPICsearch, you can choose to enter a subject in the FIND boxes or select from dropdowns:

Current Events

Topics

Lexile Reading Level

Other options allow you to select only Full Text, and further define the parameters of your search.

The screenshot displays the EBSCO TOPICsearch interface. At the top, the EBSCO logo is on the left, and navigation links for 'New Search', 'View Folder', 'Preferences', and 'Help' are on the right. Below the logo, there are buttons for 'Basic Search', 'Advanced Search', 'Choose Databases', and 'Select another EBSCO service'. A green banner contains the text 'Sign in to My EBSCOhost' and buttons for 'Keyword', 'Dictionary', and 'Images'. The main section is titled 'Database: TOPICsearch' with a 'Database Help' link. Below this are three 'Find:' input fields, each followed by an 'in' dropdown menu set to 'Default Fields'. To the right of these fields are 'Search' and 'Clear' buttons. A 'Search Tips' link is located below the input fields. On the right side, there is a folder icon and the text 'Folder is empty.' Below the search area, there are tabs for 'Refine Search', 'Search History / Alerts', and 'Results'. The 'Refine Search' tab is active, showing a section titled 'Limit your results:' with links for 'Limiters', 'Expanders', and a 'Reset' button. Under this section, there are three filter categories: 'Linked Full Text' with a checked checkbox, 'Current Events' with a dropdown menu showing 'Afghanistan', 'Athens Olympics', 'Campaign 2004' (selected), and 'Corporate Scandals'; 'Topics' with a dropdown menu showing 'None Applied', 'Aging', 'AIDS', and 'Alcohol'; and 'Lexile Reading Level' with a dropdown menu showing '800-1030 Grade 6', '880-1090 Grade 7', '910-1140 Grade 8' (selected), and '1030-1160 Grade 9'. Below the filters, there is another section titled 'Expand your search to:' with links for 'Limiters', 'Expanders', and a 'Reset' button. This section contains three checkboxes: 'Also search within the full text of the articles' (unchecked), 'Automatically "And" search terms' (unchecked), and 'Also search for related words' (unchecked).

**CATT, CARRIE** CLINTON LANE CHAPMAN (January 9, 1859-March 9, 1947), reformer and suffragist leader, was born near Ripon, Wisconsin, the daughter of Lucius Lane and Maria (Clinton) Lane, originally from Potsdam, New York. She was the second child, and the only daughter, in a family of three children. The families of both her paternal and maternal ancestors had settled in New England in the mid-seventeenth century. Her father, a farmer, had moved with his wife to Wisconsin. In 1866, seeking greener pastures in the vast prairie lands of the Midwest, Lucius Lane moved the family to a
